Emmanuel Christian School
Uniform Requirements

Uniforms may be obtained from a designated uniform company, or *identical* items (no labels) may be purchased from local merchants.

Approved uniform companies are: Parker Uniforms, Land's End, French Toast, Dillard's and JC Penney. Our school's preferred school number for the **Land's End website is 900026378** and the number for the **French Toast site is QS463QA**.

Since many school families use French Toast (FT) and Land's End (LE), the catalog numbers are listed for some of the items from those catalogs.

Parents,
It has been the desire of the school faculty and board to provide many different options concerning ECS uniforms. We do, however, want to look "uniform." So, with that in mind, it is necessary for you to take care when choosing your child's clothing. **Please stay within the uniform guidelines found in the "Parent Handbook."** Our parent handbook states that it is your, as parent, responsibility to see that your child is meeting dress code requirements before he/she leaves home each day. Students not conforming to the dress code may be asked to call home requesting appropriate attire. It is not our desire to send a student to the office to phone home, and with careful clothing choices and purchases, it shouldn't be necessary. Thanks for your help on the home front.
